

Invitation to General Practitioners

Cardiology Skills Training

Date

Thursday 14th, 21st and 28th November 2013

Time

8.30am—12.30pm each week

Followed by a light lunch

Venue

Royal Adelaide Hospital

Cardiology Unit—Level 6 Theatre Block

North Terrace, Adelaide

Presenters

Dr Peter Steele

Cardiologist

Dr Peter Steele, was appointed Director of Cardiology, Royal Adelaide Hospital (RAH) in 2005 and divides his time between the RAH and Adelaide Cardiology. Dr Steele has a strong commitment to post graduate training.

Facilitated by Dr Peter Steele, the training will include presentations by RAH Cardiologists and Cardiology Registrars.

Learning Objectives

1. Increase skills in the assessment, treatment and management of a patient presenting with chest pain
2. Improve knowledge of the interpretation and recognition of changes in ECG and appropriate interventions
3. Review and update skills in the assessment, treatment and management of patients with heart failure
4. Update knowledge of the treatment of hypertension and congestive cardiac failure
5. Implement systems in general practice to identify and monitor risk factors for patients with CVD to enable early detection and to improve their health outcomes
